Attendance: Coro programs utilize experiential learning methodology; you will not learn from the cohort and the cohort cannot learn from you if you are not present. Therefore, arriving late or leaving early for program sessions is counted toward an absence, and four absences only are permitted. The entire Opening Retreat is required (no arriving late or leaving early). Expect additional planning hours for Issue Days, Open Sessions, and other events.

Dates and Issue Day content subject to change prior to the start of the program.
